## Calling All Volunteers!

### Hello FOA Volunteers!

I hope you all had a fun and relaxing summer. For those of you who attended the Volunteer Orientation on September 19th, you know that we have another busy year ahead of us!

There are many ways to help Friends of the Arts carry out its' mission of "presenting quality visual and performing arts that are affordable and accessible to both children and adults as both observers and participants."

### NEW: Volunteer Sign-Up Calendar

Enclosed you will find a Volunteer Calendar & Sign-Up Form. This was created in response to Volunteer feedback I received about the need to know about our events in as much advance as possible. Thank you to those Volunteers who take the time to let me know what works and also how to improve the program. Please feel free to call me with your suggestions at 536-1182.

Please take a moment to fill out and return the Volunteer Sign-Up form. Volunteers will be scheduled on a "first come" basis. Information on all of these programs can be found on our website at [www.friends-of-the-arts.org](http://www.friends-of-the-arts.org).

Thank you for Volunteering for

This year volunteers will be given a 'Calendar of Events' of the entire year's activities to choose from. The website will be a great tool for volunteers to use— to refer to the 'Calendar', find out about an artist, or event, and to see where your help is needed.

Thanks as always for volunteering for Friends of the Arts. Here's to another great year!

*Joy Nolan, Volunteer Coordinator*

another great year of arts education programming and fun(d)-raising activities!
